TGW Household Policy for Tenant/Renters and Members

It is the responsibility of the Member, not the Tenant/Renter, to communicate with the Board of Directors regarding payment and water rate issues. Tenants/Renters will need to resolve any payment issues, questions or concerns directly with their Landlord/Member on water rates and payment agreements.

The Member is responsible to establish and maintain a payment method for water service. It is also the Member's responsibility to communicate any changes in water rates directly to their Tenants/Renters to ensure payment is fulfilled to TGW.

Payment for water service provided by TGW can be made by Tenants/Renters on behalf of Members.

Water service related issues, questions or concerns may be communicated by the Tenant/Renter to TGW to ensure continuous service.
